

TERMS OF USE

Access

You are provided with access to the Technology Discount Store (the Portal) in accordance with the following conditions.

Registration and Ordering

You are responsible for; Personal data that you're required to provide when you register or when you place an order is accurate and true and if this should change while you're waiting for delivery of a product from the Portal you must contact E: info@lykerlor.com / T: +44 (0) 330 0880 926 and update the information held by us without delay. You further agree not to register or place orders using a false name or identity that you aren't authorised to use.

Indemnity

You agree to indemnify, defend and hold us, our directors, employees, and suppliers, harmless from and against all claims, liability, damages, losses, costs and expenses, including reasonable legal fees, arising out of any breach of the conditions by you or any other liabilities arising from your use of the Portal, or the use by any other person accessing the Portal using your registration details.

Our rights

We reserve the right to modify or withdraw, temporarily or permanently, the Portal with or without notice to you and you confirm that we shall not be liable to you or any third party for any modification to or withdrawal of the Portal. We may also change these terms of use from time to time, and your continued use of the Portal following any changes shall be deemed as your acceptance of any such changes.

It is your responsibility to check to determine whether these terms of use have been changed. If you do not agree to any change then you must immediately stop using the Portal.

Third party information

On occasion, we may provide links to external content for you to view. This includes technical specifications and product factsheets. You agree that as you have chosen to click on or download this additional information that we aren't responsible for the availability of such external resources, and are not responsible or liable, directly or indirectly for the information provided.

Hot Product and Accessory Recommendations

When you use the Portal, you'll see that we offer the latest hot product offers and accessory recommendations. These products are what we think you may like, or are products compatible with the main product you've shown an interest in.

These hot products and accessory recommendations may change when you make a purchase or show interest in a certain product or product category. You may also like to add products that interest you to your wish list for later use and we will always take reasonable care to ensure what we recommend is in line with your browsing patterns on the Portal.
